Boyfriend From Hell (Falling Angels Saga Book 1) By E. Van Lowe

Fifteen year-old Megan Barnett and her single mom, Suze, have a special relationship—they are friends, close friends, who do almost everything together.

“But come on, guys, she’s my mother... Can I really tell her that while we’re snuggled up on the sofa watching Spider Man Three, I’m secretly undressing James Franco with my eyes? Of course not...”

The special bond takes a turn for the worse when Suze decides to start dating again. She hasn’t had a man in her life since Megan’s father left ten years ago.

Enter two mysterious young men, Megan’s new classmate, sinfully attractive bad boy, Guy Matson, and the dangerously handsome art dealer, Armando. Before long Megan and Suze both wind up in steamy relationships. But neither of the handsome pair is quite what he seems. In fact, one of them is Satan, with his sights set on a new bride. Megan has precious little time to figure out how to stop him. If she doesn’t, either Megan or Suze are quite literally going to HELL.

"Boyfriend From Hell" is the first book in the Falling Angels Saga from the author of the gruesomely hilarious, "Never Slow Dance With A Zombie."

"Boyfriend From Hell was a great surprise. I didn't know what to expect before reading it but it was a fast and fun read that made me laugh morethan once. What made *Boyfriend from Hell* unique to me was the sometimestongue-in-cheek tone it had. It's a great YA that's also poking fun at some ofthe predictable Young Adult clichés. If you like paranormal YA but sometimesfind yourself rolling your eyes at the way the characters are acting, you'lllove this book too." **-Lisa Choboter, Cold Moon Violet Books**

About the Author

E. Van Lowe books have enchanted readers with beautiful love stories like the one between an angel and a normal girl, while also taking readers to hell and back (Boyfriend From Hell, and The Falling Angels Saga). His books have intrigued readers, inviting them into the world of enchanted water nymphs, and evil sea trolls, while asking the question "Do you believe in soulmates." (The Beautiful Creatures of Beverly Hills series). More books are due out soon, plus the start of a new series about a teenage girl with a gift for raising the dead, and laying the risen dead back to rest (Hollyweird). Despite this proclivity toward the paranormal, E is a pretty normal guy... well, as normal as one can be having Godzilla as their pet.
