Critique of Pure Reason (Penguin Classics) By Immanuel Kant

The masterpiece of the father of modern philosophy

A seminal text of modern philosophy, Immanuel Kant's *Critique of Pure Reason* (1781) made history by bringing together two opposing schools of thought: rationalism, which grounds all our knowledge in reason, and empiricism, which traces all our knowledge to experience. Published here in a lucid reworking of Max Müller's classic translation, the Critique is a profound investigation into the nature of human reason, establishing its truth, falsities, illusions, and reality.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Editorial Review

About the Author

Immanuel Kant (1724-1804) was one of the most influential philosophers of all time. His comprehensive and profound thinking on aesthetics, ethics and knowledge has had an immense impact on all subsequent philosophy. Marcus Weigelt's lucid reworking of Max Müller's classic translation makes the critique accessible to a new generation of readers, while his informative introduction places the work in context and elucidates Kant's main arguments.

Users Review

From reader reviews:

Benjamin Aldridge:

Your reading sixth sense will not betray an individual, why because this Critique of Pure Reason (Penguin Classics) e-book written by well-known writer who knows well how to make book which can be understand by anyone who read the book.
