**Frances Drury:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Disease: The Story of Disease and Mankind's Continuing Struggle Against It can make you really feel more interested to read.
