Mayo Clinic Internal Medicine Board Review (Mayo Clinic Scientific Press)

From Oxford University Press

The 11th edition of Mayo Clinic Internal Medicine Board Review is fully revised to reflect the latest information necessary to prepare for the American Board of Internal Medicine Certification and Maintenance of Certification examinations. Published in an all-inclusive and easy-to-use volume, the book provides a wide array of concise chapters that review focused subjects within each specialty, followed by a series of questions and answers at the end of each section. With this new formatting, readers can study by fitting review into their busy schedules.

This authoritative resource provides a succinct review of allergy, cardiology, endocrinology, gastroenterology and hepatology, general internal medicine, hematology, infectious diseases, nephrology, neurology, oncology, psychiatry, pulmonology, and rheumatology. This book is a necessary resource for anyone studying for board examinations and is an important addition for those looking to include a reference on internal medicine to their medical library.

Key Features of the 11th Edition:

- Each chapter includes key facts and key definitions to highlight important information without breaking up the reading flow of the chapter;
- Each section includes color-coded tabs to facilitate reviewing and studying;
- The entire book is highly illustrated with figures, tables, and boxes to improve comprehension.
