### Survival Guns By Mel Tappan

When he wrote **Survival Guns** in 1979, Mel Tappan demonstrated that having the right weapons for securing food and providing personal defense is the key to sustaining life on an independent basis, whether or not a catastrophe occurs. This is even more true today.

**Survival Guns** became the standard in its own time and went through several printings. When it finally went out of print, it graduated from a classic to a sought-after collector's item, because the principles and advice in this well-reasoned volume are sound and perennially valuable. Some new guns and some new calibers have become available since this book was first published, but its principles, advice, and value remain unchanged. Having more choices only increases the value of advice on how to choose what is best for you.

As used copies of this book became harder and harder to find, Paladin received numerous requests to bring Tappan's classic back into print. We are pleased to make the most well-known survival firearms book ever published available once more to a new generation of concerned citizens facing the same threats Tappan chronicled during his lifetime. **Survival Guns** remains the definitive book for anyone interested in the practical use of firearms and related weapons for defense, food gathering, and predator and pest control under conditions of long-term, self-sufficient living.

### Editorial Review

#### About the Author

**Mel Tappan** was a survival consultant, freelance writer, lecturer, and survival editor of *Soldier of Fortune* magazine. His interest in firearms began at the age of 6 when he received his first .22 rifle. From that time, he was an avid shooter, student of weaponry, and outdoorsman. He was devoted to evaluating firearms, outdoor and survival equipment, storable foods, and communications devices in order to provide assistance, by means of his writings and public lectures, to people who see the value of self-sufficient living and long-term survival planning.

### Users Review

#### From reader reviews:

##### **Phyllis Branson:**

People live in this new moment of lifestyle always aim to and must have the time or they will get lot of stress from both day to day life and work. So , whenever we ask do people have extra time, we will say absolutely sure. People is human not really a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer will unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, the actual book you have read is usually Survival Guns.

##### **Albert Chesson:**

Reading can called head hangout, why? Because when you find yourself reading a book particularly book entitled Survival Guns your head will drift away trough every dimension, wandering in each aspect that maybe mysterious for but surely can become your mind friends. Imaging just about every word written in a publication then become one type conclusion and explanation in which maybe you never get before. The Survival Guns giving you yet another experience more than blown away your brain but also giving you useful information for your better life with this era. So now let us present to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

##### **Angela Souther:**

You may spend your free time you just read this book this reserve. This Survival Guns is simple to create you can read it in the playground, in the beach, train and also soon. If you did not possess much space to bring typically the printed book, you can buy often the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

**William Rose:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Survival Guns can make you really feel more interested to read.
