The One: In Defense of God By J. Dan Gill

This is an extraordinary book! As a Christian pastor, J. Dan Gill confronts the great issues regarding God and faith in our time. From atheism and agnosticism to eastern religions and New Age; from religious pluralism and popular philosophies to a Christianity which itself is no longer rooted in the simple faith of the one true God of the Bible — all of these are met head on. Written from a pastor's heart, this is a book which every Christian and non-Christian alike should read.
