The Sandman Vol. 3: Dream Country (New Edition) (The Sandman series)

By Neil Gaiman

NEW YORK TIMES bestselling author Neil Gaiman's transcendent series SANDMAN is often hailed as the definitive Vertigo title and one of the finest achievements in graphic storytelling. Gaiman created an unforgettable tale of the forces that exist beyond life and death by weaving ancient mythology, folklore and fairy tales with his own distinct narrative vision.

The third book of the Sandman collection, DREAM COUNTRY continues the fantastical mythology of Morpheus, the King of Dreams. In these centuries-spanning tales, the powerful entity known as the Sandman interacts with a diverse assortment of humans, fairies, heroes, and animals as he walks the mortal plane. Including an amazing encounter with William Shakespeare and an interesting take on the origin and first performance of "A Midsummer Night's Dream," this book depicts the dreaming world of cats, the tragic life of forgotten super-heroes and the folly of imprisoning and torturing a former lover of the King of Dreams.

A new, recolored edition of the classic SANDMAN series, DREAM COUNTRY collects issues #17-20 including "A Midsummer Night's Dream," which won a World Fantasy Award.

Editorial Review

Amazon.com Review

The third book of the Sandman collection is a series of four short comic book stories. What's remarkable here (considering the publisher and the time that this was originally published) is that the main character of the book--the Sandman, King of Dreams--serves only as a minor character in each of these otherwise unrelated stories. (Actually, he's not even in the last story.) This signaled a couple of important things in the development of what is considered one of the great comics of the second half of the century. First, it marked a distinct move away from the horror genre and into a more fantasy-rich, classical mythology-laden environment. And secondly, it solidly cemented Neil Gaiman as a storyteller. One of the stories here, "A Midsummer Night's Dream," took home the World Fantasy Award for best short story--the first time a comic was given that honor. But for my money, another story in *Dream Country* has it beat hands down. "A Dream of a Thousand Cats" has such hope, beauty, and good old-fashioned chills that rereading it becomes a welcome pleasure. --*Jim Pascoe*

About the Author

Neil Gaiman is the most critically acclaimed comics writer of the 1990s and is the author of numerous books and graphic novels. He is the New York Times No. 1 best-selling author of *American Gods* and *Anansi Boys*. Kelley Jones is a regular artist on *Batman* for DC Comics. Past credits include *Sandman*, *Swamp Thing*, *Batman & Dracula: Red Rain*, *Batman: Bloodstorm*, and *Batman: Dark Joker - The Wild*.

Users Review

From reader reviews:

Diane Merryman:
