## You Have to Stop This (The Secret Series) By Pseudonymous Bosch

The finale to the New York Times bestselling Secret Series!

I always feared this day would come. A secret is meant to stay secret, after all. And now we've come to this: the fifth and final (I swear!) book in my saga of secrets.

A class trip to the local natural history museum turns dangerous, or perhaps deadly--and I don't mean in the bored-to-death way--when Cass accidentally breaks a finger off a priceless mummy. Forced to atone for this "crime" of vandalism, Cass and her friends Max-Ernest and Yo-Yoji go to work for the mummy exhibit's curator, only to be blamed when tragedy strikes. To clear their names--and, they hope, to discover the Secret--the trio must travel deep into a land of majestic pyramids, dusty tombs, mysterious hieroglyphs, and the walking dead. Egypt? Or somewhere much stranger . . .

In the midst of it all, the Secret still lurks. You're out there, reading and talking about it, and now my life--and chocolate supply--is in the greatest danger yet. So please, with a cherry on top, I'm begging you: you have to stop this!

## **Editorial Review**

From [Booklist](#)

Cass, Max-Ernest, and Yo-Yoji are on yet another search for “the Secret.” In this fifth and final (maybe not!) book in the Secret series, Cass accidentally breaks a finger off a mummy in a natural-history-museum exhibit. The trio’s adventures begin when the mummy goes missing and they must find it to clear themselves before eighth-grade graduation. Bosch interjects “warnings” to readers and gives footnote explanations of starred words. Ford’s illustrations introduce each chapter and aptly set the mood. Readers who followed the children in previous escapades know what to expect: quirky humor, light suspense, and magic. No disappointments here. Grades 4-7. --J. B. Petty

### **About the Author**
