## Choral Conducting: Philosophy and Practice By Colin Durrant

Choral Conducting is a resource for singers, teachers, and choral conductors, and a college-level text for students of choral conducting. It also includes an overview of what is involved in leading a choral group and examines theories of learning and human behaviour and the history of choral music together with conductor's role. The book also discusses issues of the conductor-vocalist relationship, the mechanics of singing, rehearsal strategies, and more.
