Lucian's Assembly of the Gods: An Intermediate Greek Reader: Greek Text with Running Vocabulary and Commentary By Stephen A Nimis, Edgar Evan Hayes, Lucian

The aim of this book is to make *The Assembly of the Gods* by Lucian of Samosata (c. 120 – 190 CE) accessible to intermediate students of Ancient Greek. The running vocabulary and grammatical commentary are meant to provide everything necessary to read each page, so that readers can progress through the text, improving their knowledge of Greek while enjoying one of the most entertaining authors of antiquity. This short dialogue presents Momus, the god of blame, arguing that numerous gods and their entourages should be expelled from heaven for being fraudulent immigrants. These figures range from gods and heroes with a human parent to various "eastern" deities, whose unhellenic appearance and behavior is objectionable. A number of famous mythological stories are referred to as evidence of the unsuitability of various gods and goddesses to their home on Olympus, but not without implying that the behavior of Zeus himself is often petty and hypocritical. Lucian's *The Assembly of the Gods* is a great text for intermediate readers. It is breezy and fun to read with relatively simple sentence structure. The diatribe of Momus sounds some of Lucian's favorite satirical and literary themes. It delineates the pettiness of quarrels over status and the hypocrisy of the powerful. It also provides implicit and explicit criticism of the verisimilitude and logic of traditional accounts of the gods. The language of Athenian democratic institutions is invoked throughout, which also humorously humanizes the Olympian figures. Finally, imperial inscriptions suggest a more specific context and impetus for this satire. Revised April, 2016.

If you did not have much space to bring the actual printed book, you can buy typically the e-book. It is make you much easier to read it. You can save the actual book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Clarence Danner:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Lucian's Assembly of the Gods: An Intermediate Greek Reader: Greek Text with Running Vocabulary and Commentary can make you truly feel more interested to read.
