Still the Best Hope: Why the World Needs American Values to Triumph By Dennis Prager

Conservative radio host and syndicated columnist Dennis Prager provides a bold, sweeping look at the future of civilization with *Still the Best Hope*, and offers a strong, cogent argument for why basic American values must triumph in a dangerously uncertain world. Humanity stands at a crossroads, and the only alternatives to the “American Trinity” of liberty, natural rights, and the melting-pot ideal of national unity are Islamic totalitarianism, European democratic socialism, capitalist dictatorship, or global chaos if we should fail. America is *Still the Best Hope*, as this eminently sensible, profoundly inspiring volume so powerfully proves.

Editorial Review

Review

"This is a very wise book by a very wise America. It is probing, lively, comprehensive, and, rarest of all, it is filled with original insights and arguments. Dennis Prager changes intelligent people's minds."--Bill Bennett, Former US Secretary of Education, Bestselling Author, and Nationally Syndicated Radio Talk Show Host

"Occasionally, a person with rare vision can foresee the future through a deep understanding of the present. Using reason and facts, without rancor, Prager invites his readers to reason. If the world does not embrace American values, as brilliantly explained in this book, we are indeed doomed."--David Mamet, Winner of the Pulitzer Prize for *Glengarry Glen Ross*

As a member of Congress for more than thirty years, I have met, listened to, and read the greatest living American thinkers. Dennis Prager is one of these. If enough Americans read [this book], America will remain what Abraham Lincoln said it was: the last best hope of earth."--David Dreier, US Congressman (CA) and Chairman of the House Rules Committee

"Dennis Prager's book is sharp, succinct, and comprehensive. It admirably covers the global ground. I hope it is widely read, and I'm pretty sure it will be."--Paul Johnson, British Historian and Author of *Modern Times*

From the Back Cover

Dennis Prager contends that humanity confronts a monumental choice. The whole world must choose between American values and two oppositional alternatives: fundamentalist Islam and European-style democratic socialism. In this visionary book, Prager makes the case for the American values system as the most viable program ever devised to produce a good society.

Still the Best Hope deals with three major themes, each vital to America's future. The first is perhaps the most persuasive explanation for why Leftism has been and will always be a moral failure, despite its appeal to many people of goodwill. The second explains why fundamentalist Islam also cannot make a good society—though Prager holds out hope for an open and tolerant Islam. The third is a persuasive defense of what Prager calls the "American Trinity": liberty, values rooted in the Creator, and the melting-pot ideal.

Prager shows why these values can and must be adopted by every nation and culture in the world, why Americans must relearn and recommit to these values, and why the United States must vigorously export them.

About the Author

Dennis Prager writes a syndicated column, hosts a radio show carried by 120 stations, and appears regularly on major Fox venues. He is the author of *Happiness Is a Serious Problem* and *Think a Second Time*.

Users Review

From reader reviews:

Kathleen King:
